

Cra"ZZ"y Times in Kindergarten

Kindergarten has spent the first month of school learning to recognize our letters. One of our favorite books is Chicka Chicka Boom Boom. To truly experience the Chicka Chicka Boom Boom phenomenon first hand, we are participating in an alphabet letter exchange. PCS kindergarten was assigned the letter "Zz." We created 26 sets of the letter "Zz" and decorated them with items/things beginning with the /z/ sound. We decorated our capital "Z" with zippers, zeros, and zebra stripes or zinnias. Our small "z's" we decorated with colorful zig-zags. We kept one set of Zz's for ourselves, and we have now mailed 25 sets of our "Zz's" to 25 other kindergarten classes all over the USA from Oregon to Maine! We have been receiving letters in the mail from our kindergarten friends almost daily! Since we have a western cowboy theme in kindergarten this year, we have our letters climbing up a cactus instead of a coconut tree. CHICKA CHICKA BOOM BOOM! Come visit the alphabet cactus in our kindergarten room!
