

## Grandparents Enjoy a Day at School

On October 8<sup>th</sup>, the Peace Valley Campus of Plumstead Christian School celebrated Grandparents Day. Students in first, third, and fifth grades invited their grandparents to visit the school. The festivities started with an assembly, during which selected students read poems they had written, read famous quotes of encouraging words, and sang two songs that were representative of this year's theme, "Encourage One Another and Build Each Other Up." After the assembly, students returned to classrooms where they completed several craft activities and played a game that required the cooperative efforts of the grandparents and grandchildren. The day provided the grandparents with a peek into their grandchildren's lives at Peace Valley.
