

## Plumstead's International Students Visit New York City

Plumstead Christian School is blessed to be hosting twelve students from Korea for the 2010 – 1011 school year. These students are active participants in the school's various academic and extra-curricular activities and their presence adds to the diversity of Plumstead's student body. To enhance their experience while in America, several

Plumstead staff members recently took the students to New York City to see *The Lion King* and spend the day visiting typical New York sites.

Upon arriving in the city, the first stop was a quick look at the Empire State Building, followed by a stop at *Starbucks*! After some time spent admiring the Christmas window displays and shopping at *Macy's*, the students walked to the Minskoff Theatre for a matinee performance of *The Lion King*.

To round out the day, a trip to Times Square was followed by some shopping at *Swatch* and *Forever 21* before a quick dash to the train station. The day was an exciting adventure and will be remembered by all!
