

READING COUNTS

Our Reading Counts program has been updated! ALL books that have quizzes are now available to our students at school. If you want to see if there is a quiz for the book your child is reading AND how many points the quiz is worth, follow the steps below.

1. Go to <http://src.scholastic.com>
2. Make sure you see “Quick Find” by title.
3. Type in the name of the book.
4. Click “Submit”.
5. Click on the title of the book for details. Scroll down—it will give you the number of Reading Counts points.
