

## PLUMSTEAD CHRISTIAN SCHOOL SCRIP "DISCOUNTED TUITION" PROGRAM

Earn money for tuition credit: Just spend your weekly shopping dollars with stores that participate in the scrip program and you can save hundreds or even thousands of dollars in tuition expenses.

**What is Scrip?** When families purchase from scrip, they receive negotiable gift certificates that can be used like cash to purchase products or services from merchants who have issued them.

- Scrip can be used to purchase anything from groceries, fuel, clothing, toys, and cosmetics to entertainment, electronics, home improvement, or household services.
- What makes scrip a valuable and effective tool for PCS is that a family uses scrip to buy their favorite products and services, while saving hundreds, even thousands of dollars on the next year's tuition bill.

**How does it Work?** Scrip negotiates and buys large quantities of gift certificates at a discount from merchants nationwide.

- Participating PCS families would purchase scrip through the school's scrip program to pay for the services and products that they would normally buy for their daily needs at face value. PCS collects the difference between the discounted price and face value of the scrip, in which, **90% of the proceeds** will be distributed among the families who participate in the scrip program, and applied towards their tuition expenses the following school year.

The Plumstead Christian School scrip program promises to be a simple and effective program to help offset your tuition expenses.
