

Student Driver Authorization Form

After a senior's final classes of the day he/she will be permitted to leave the school property in place of a study hall, with the understanding they will not be able to return to the school even for a sport. Those students who drive may leave the campus immediately after their last class as long as they have written permission to do so. Permission must also be granted if your student driver intends to provide transportation for another student(s). Also, any student who wishes to ride with another student driver must provide written permission from their parent or guardian. Please complete the appropriate section of this form.

All completed permission slips must be submitted to the main office. This will not go into effect the day it is submitted since we need advance notice.
