

**Student Driver Authorization Form**  
**For Students Who Have Study Hall First Period or First and Second Period**

Seniors with study halls first period or first and second period will be permitted to come late to school on **any day but Wednesday (chapel) and Friday (class meetings)**. **They must be present for chapel.**

This privilege will expect the following guidelines or the privilege will be revoked:

- 1) Students must arrive for their third period class (in class by 9:48 AM).
- 2) The students must be in their homerooms on time on chapel days (Wednesday) and Friday (class meeting days). They may not leave and come back on those days but proceed to their large group homeroom and study hall.
- 3) If students have a responsibility of selling for lunches (in the morning) they must find a replacement.
- 4) Students are to be supervised on school property at all times. If a student drives to school and enters after the homeroom period they must come to the **front door** and sign in at the front desk with Mrs. Smeland. Students may not stay in their car or in the parking lot before entering the school. We are required to have all students supervised when on the school property so this is for your safety.

**Only this permission form will give your child these privileges.** Please complete the appropriate section of this form.

**All completed permission slips must be submitted to the main office. This will not go into effect the day it is submitted since we need advance notice.**

I hereby authorize **my child**, who has study hall first period (or first and second period) to arrive at PCS and be at their 3<sup>rd</sup> period classroom by 9:48 AM
