

PLUMSTEADVILLE CAMPUS
Traffic Flow
Student Drop off and Pick Up
(Established December 2003 ~Revised August 2009)

AM Drop-Off

- Traffic flow should enter at the front right side as one faces the building and exit at the left side of the building.
- To ensure safety, parents and buses should drop off **all** students at the **front** door **only**. Do not allow students to walk along side the buses in the bus line. Wait until your car is up to the front door to drop off student(s).
- Parents should **NOT** drop their students at the side door, or take students to the back of the building.
- Parents should **NOT** drop students off on the street and let them walk to the front door.
- Vehicle drivers should **NOT** drive around buses.
- For the safety of students and staff, cell phone use is restricted while driving on campus.

PM Pick-Up

- Plumstead buses will load students at the back of the building. Buses will enter the left side of the building and exit the right side.
- Pennridge buses will load students from the front of the building.
- Students getting picked up by parents will be picked up at the front of the building. Students are to wait at the front door until their ride arrives at the front door.
- **Do not** allow students to walk along side the buses in the bus line.
- Vehicle drivers should **not** drive around buses.
- Parents waiting for students to arrive from Peace Valley should park at the front of the building and wait there.
- Elementary students who arrive on the shuttle will be directed through the building to the front door where they can be picked up by parents.
